

Minutes of the Parish Council meeting held at 7.00 pm on Tuesday 28th June, 2022 at the Village Hall, Main Street, Bishopthorpe.

The Chairman opened the meeting at 7.00 pm.

The meeting was attended by Mrs June Whittaker of Keble Park North representing Bishopthorpe First Responders.

The village has recently been the beneficiary of three new defibrillators, which are located at Bishopthorpe Sports Club, Vernon House and opposite Middlethorpe Spa. These are in addition to the existing unit at the Scouts Hut on Appleton Road. In order to understand how to use these, Mrs Whittaker explained that the First Responders would like to offer villagers free first aid training sessions and asked if the Parish Council would support this offer with free training space at the Village Hall. It was unanimously agreed that the hall would be offered to the group free of charge for this valuable training. Cllr. Harrison thanked the group and Cllr. Thornton agreed to contact the Caretaker to agree a set of dates, which will then be advertised.

Mrs Whittaker thanked the Parish Council and left the meeting at 7.08 pm

“...there has been a considerable amount of changes and additions along the river bank from the area after Bishopthorpe Marine to the field before the swing bridge, however there is no planning consent for these...”

Ms Osbourne sent a further email to the Parish Council confirming that she found no issues on land owned by the Parish Council but confirmed that enforcement action would be taken against non-compliant land owners. 6 **Services**6.1 Village Hall Management Committee

6.1.3 *Risk Assessment Document* – Nothing to report.

6.2 Sports and Leisure Management Committee

6.2.1 *Management Committee Report* – By email Cllr. Nicholls reported the following items:

- A window has been broken and is now boarded up awaiting repair.
- There will be a fund-raising event organised by the Cricket Club on Sunday 17th July. This will take the form of a T20 match against York City FC where there will be food stalls and a stand selling York Gin. Any support villagers can give the club will be very welcome.

Cllr. Harrison reported that the Church Commissioners have contacted the Parish Council to begin lease renegotiations. Cllr. Harrison will contact Savills (The Church Commissioners agent) to progress this matter. **Action Cllr Harrison.**

Cllr. Conley described to the meeting an email exchange she has had with Constable Samantha Abel concerning a planning matter regarding the felling of a tree(s) around the Sports Pavilion. It transpires that a member of the public telephoned the police to report that a tree had been cut down and that at the time birds were nesting in it. This, of course, is illegal. The Police were led to believe that the Parish Council had organised the felling but Cllr. Conley confirmed that the Parish Council had not cut down any trees and suspected that the work may have been undertaken in a private garden. However, the Police Officer responded that it was near to the river bank at the back of the Sports Pavilion.

Interjecting, Cllr. Harrison suggested that the tree(s) in question may be those removed by York Marine Services next to Field 84. Further information is needed from the Police before the Parish Council can fully investigate this incident.

Finally, Cllr. Harrison commented that the sports field hedge is very overgrown and is impacting access along the Acaster Lane footpath. He offered to contact Mike Dale of Crombledale Contracting to ask for the hedge to be cut.

6.2.2 *Internal alterations to building* – A meeting has been organised with the builder who plans to commence work, week commencing July 25th.

6.2.3 *Cricket scoreboard rebuild* – One of the builders, who didn't show interest for the internal alterations to the Sports Pavilion, has expressed an interest in the scoreboard rebuild – clearly preferring to take on a small job.

The Parish Council wishes to express its sincere thanks on behalf of the village to all three contributors, who through their generous donations will help to save lives.

- 6.4.1 *Update* – Nothing to report.

6.5 Youth Support and Children's Recreation

- 6.5.1 *Monthly Park inspection* – Cllr. Gajewicz reported no incidents from the previous month's inspection. Cllr. Harrison to take the inspection bag this month.

Going forward Cllr. Harrison encouraged Councillors to write comments on the inspection sheets, no matter how minor, as evidence of the inspection.

Cllr. Hunt recently attended the Yorkshire Local Councils Association course for Playgroup Inspections – reporting that it was very informative.

The next annual inspection of the Play Area is due during October 2022

Cllr. Harrison reported that the City Council has been contacted by a resident asking them to replace his damaged fence panels on the path leading up to the park entrance. The City Council believed that the Parish Council own the land in question but the Clerk produced a copy from the deeds showing otherwise. The claim has been returned to the City Council.

- 6.5.2 *Painting floor markings for new games at the end of the park on the tarmac area* – Cllr. Conley commented that she recently attended the annual fair at the Infants School and noticed that they have some excellent floor markings for games, which Parish Council should ask to photograph and copy in the Play Area. Action Cllr Nicholls

- 6.5.3 *Repairs to wooden boards and replacement bark* – Cllr. Jemison reported that Mike Dale of Crombledale Contracting has ordered the raw materials and hopes to commence work later this week.

6.6 Allotments

- 6.6.1 *Monthly report* – Cllr. George reported that demand for plots remains high. There is increased water usage at both sites, but this is to be expected given the time of year.

Unfortunately, it appears that three Elm trees may be affected by disease at the Acaster Lane site. A qualified arborist will be asked to assess them. **Action Cllr George**

6.7 Senior Citizens Support, Vernon House and Accessibility Issues

6.7.1 *Monthly Report* – The bi-annual Fire Inspection has been undertaken by Advance Fire Services and a Certificate of Inspection provided to the Parish Council for display. No issues were raised by the inspection and Vernon House remains fully compliant with regulation.
